# AHA BLS Inspection - SCORE

## **Course Monitoring Review:**

**LiST BLS scored 100 % rating by covering all 20 aspects in Course Monitoring Tool.**

### **Reviewer Comments:**

“Shifa Life Support Training Center has a good venue to accommodate 10 – 12 BLS candidates with adequate AV equipment & comfortable learning environment. Course was run smoothly using AHA guidelines & latest learning + testing materials. The equipment used was as per AHA guidelines + policies. The instructor was well prepared & was using lesson plans and videos to ensure course quality.

~ CPSP Inspection Team

## **Administrative Review:**

**LiST scored 94% rating by covering 33 out of 35 aspects of Monitoring Tool.**

### **Reviewer Comments:**

“Shifa Life Support Training Center is a very good facility having opportunities + potential to grow. All the documents reviewed are as per AHA guidelines + requirements. They are maintaining their records adequately. Equipment fulfils the requirement as per AHA guidelines. Instructors are using the latest teaching + testing materials. The number of instructors is adequate + their quality is up to the mark & will further improve with passage of time. Shifa has potential to consolidate and expand the program.”
