Shifa Center of Professional Excellence (SCOPE)

Shifa Centre of Professional Excellence (SCOPE) is the learning and training arm that operates within Shifa Foundation; aiming at cultivating professional competence and performance by delivering skills and knowledge to our learners, the SCOPE strives for excellence in medical teaching, professional learning and encouraging the research ventures.

Our vision is to model state-of-the art design, facilitation and management of learning by providing a high quality, comprehensive, and meaningful content to our learners.

Accreditations

Accreditation Council for Continuing Medical Education

3rd ACCME Accredited Provider in Pakistan.

American Heart Association

9th Basic Life Support (BLS) Provider in Pakistan.

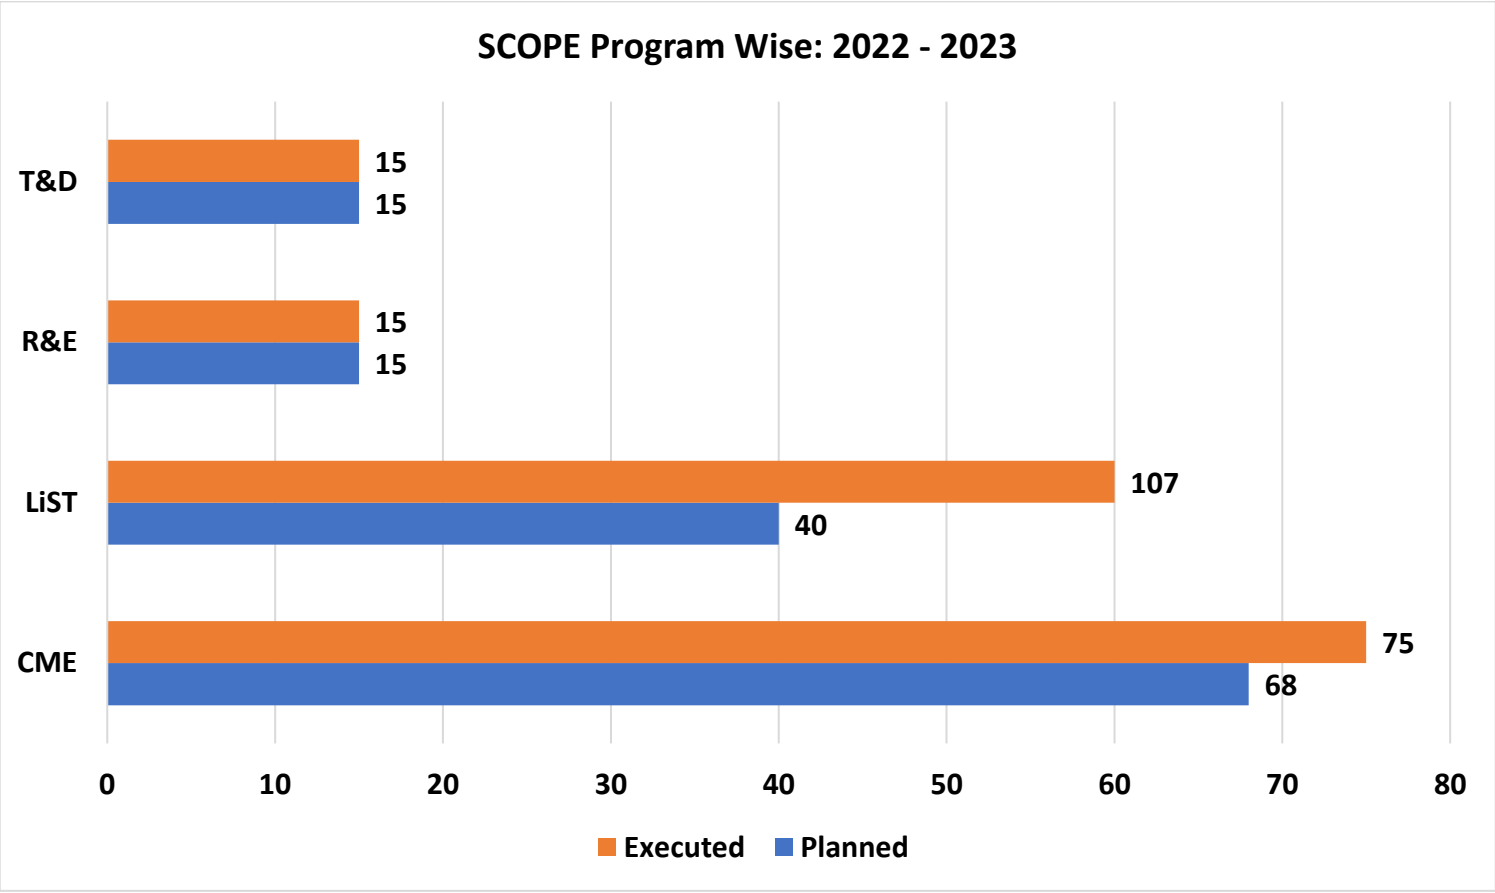

6th Advanced Cardiac Life Support (ACLS) Provider in Pakistan.

AMA PRA Credit Hours

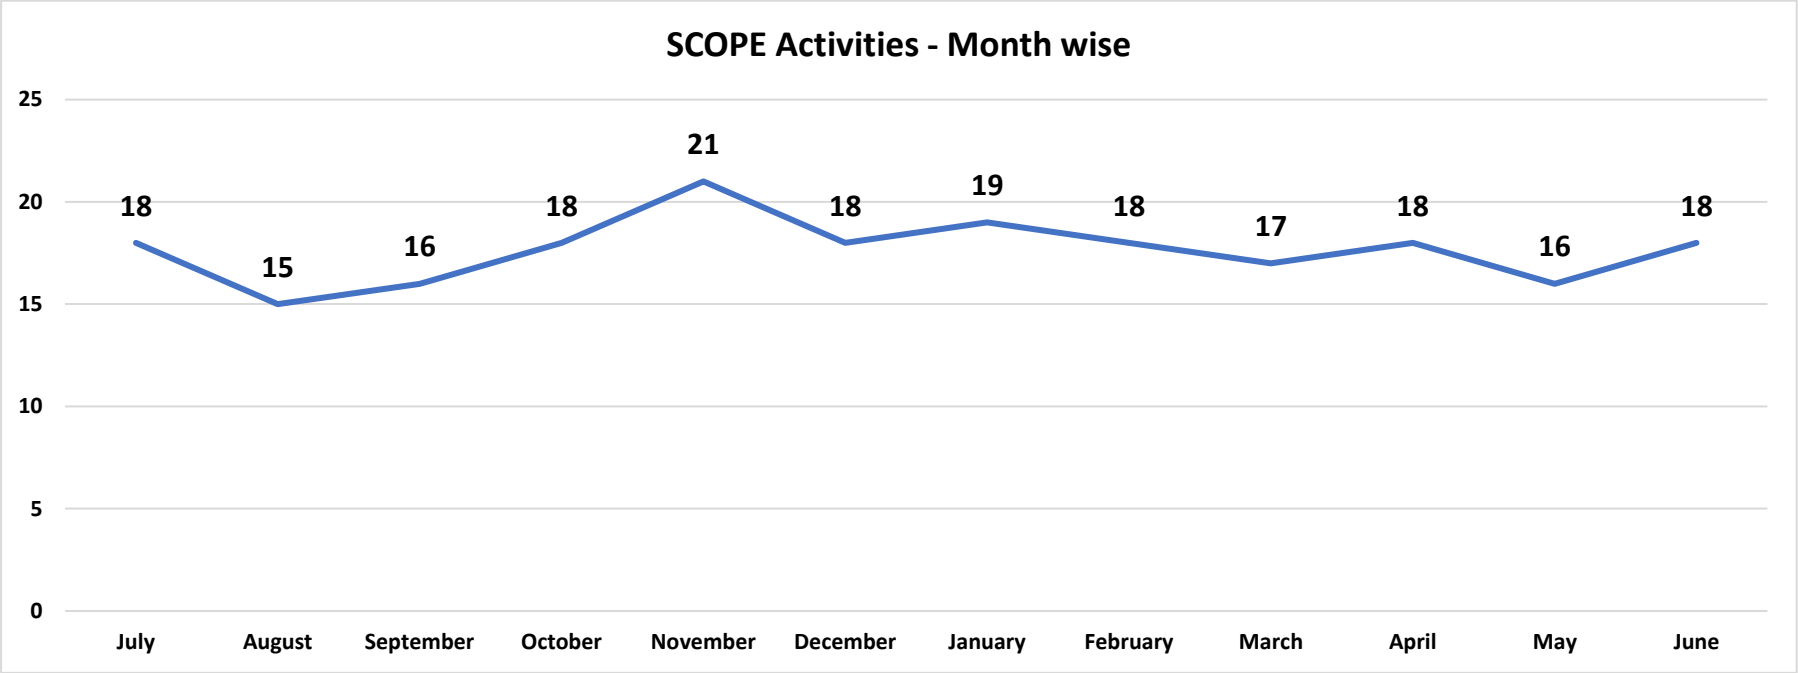

Category 1

CONTINUING MEDICAL EDUCATION

Considering the increasing demand for CME among physicians and healthcare professionals, the Continuing Medical Education Program was established under the umbrella of SCOPE to create healthcare teams for change through CME. In March 2022, we achieved accreditation from the Accreditation Council for Continuing Medical Education (ACCME) for two years, becoming the third ACCME Provider in the country.

Summary of Regularly Scheduled Series: 7349	
Departmental Lectures	5928
Morbidity and Mortality (M&M)	267
Multidisciplinary Tumor Board	172
Journal Club	320
Grand Rounds	290
Guest Lectures	15
Clinico Pathological Conference (CPC)	357

Summary of Mega Events: 75	
Conferences	5
Masterclass	10
Seminar/Webinar	36
Workshop	10
Course	14

SOME KEY ACTIVITIES

Non Invasive Ventilation – Workshop

15th Annual Neurology Research Day

International Annual Medication Management Conference (AMMC-Shifa 2022)

Collaborative Advance Trauma Care Course

Seminar - HLA Typing, DSAs and Kidney Transplant

Masterclass in Respiratory Therapy

Annual HCC Symposium

Pediatric Resuscitation Course

Chronic Obstructive Pulmonary Disease (COPD Symposium)

Gynecological Examination Skill Development Experience on Mannequins

Transforming Healthcare Experience through Safe Clinical Systems and Advanced Communication

3rd Annual Nephrology & Dialysis Symposium

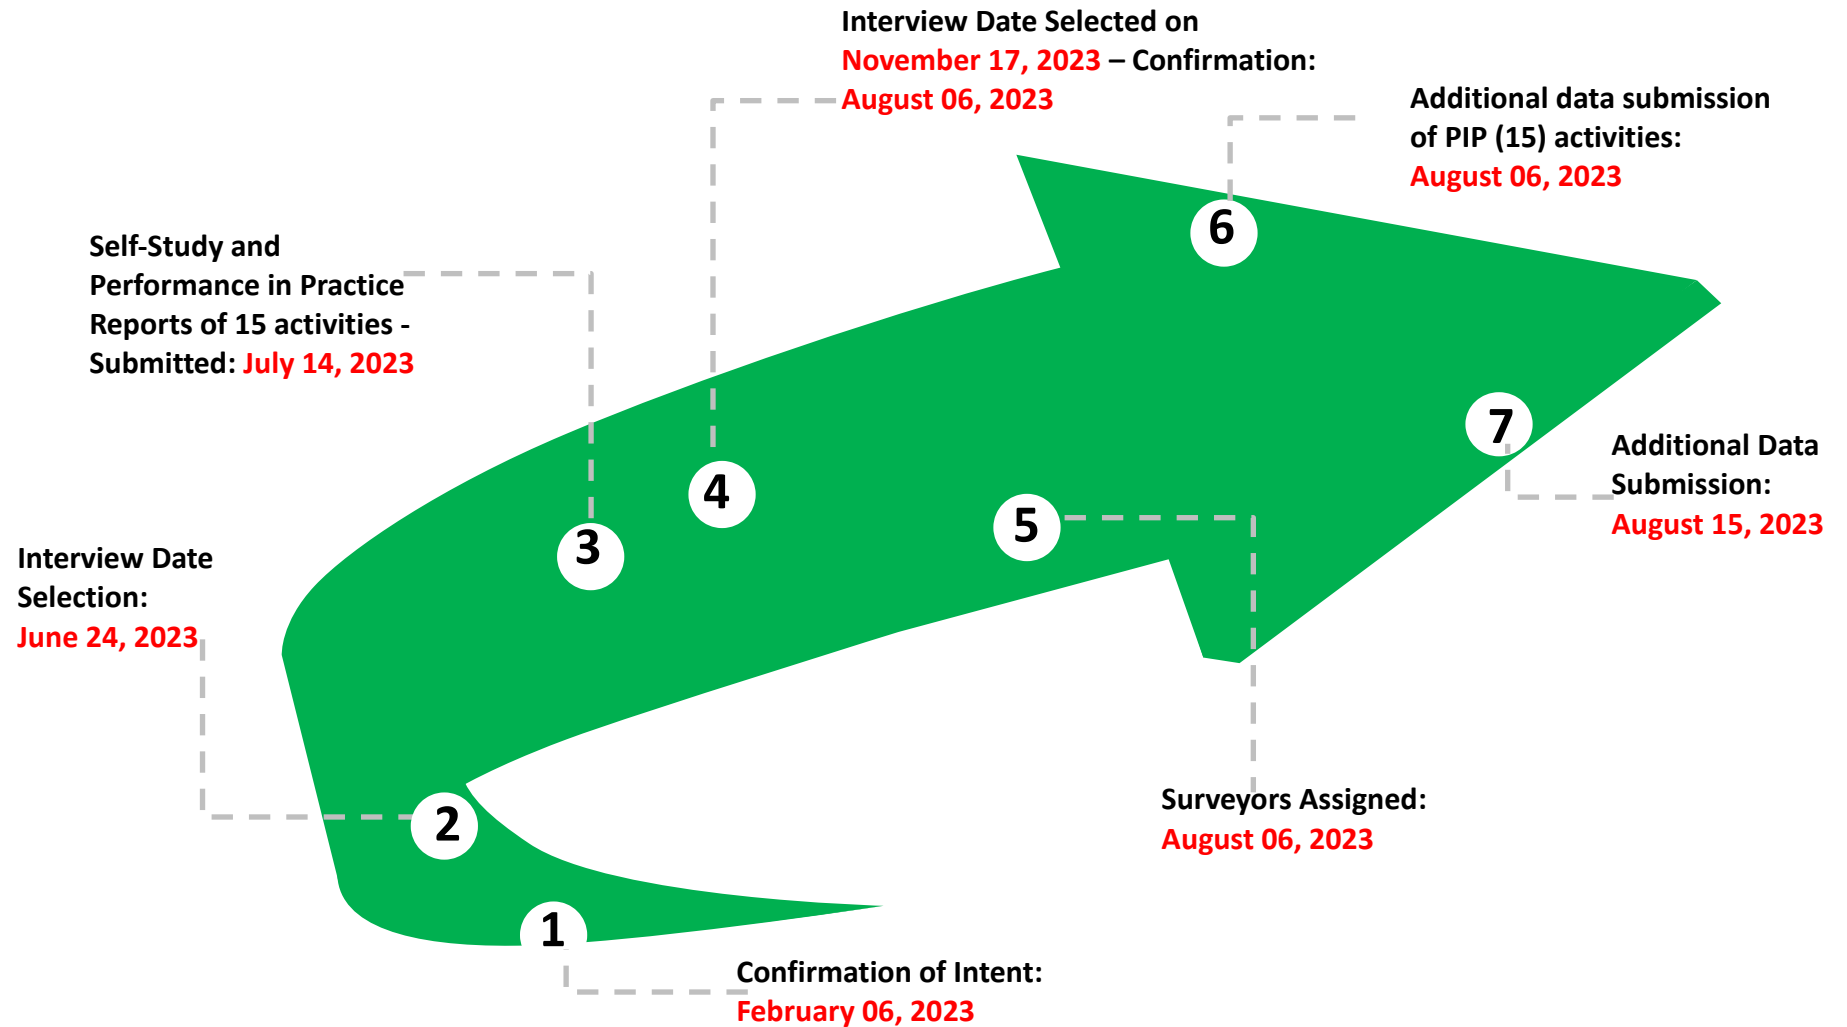

Point of Care Testing: Bridging the disparity Gap in Healthcare – Symposium

The Pathology of Frozen Section: Interpretation and Implications

PROGRESS ON **RE- ACCREDITATION** COUNCIL FOR CONTINUING MEDICAL EDUCATION (ACCME)

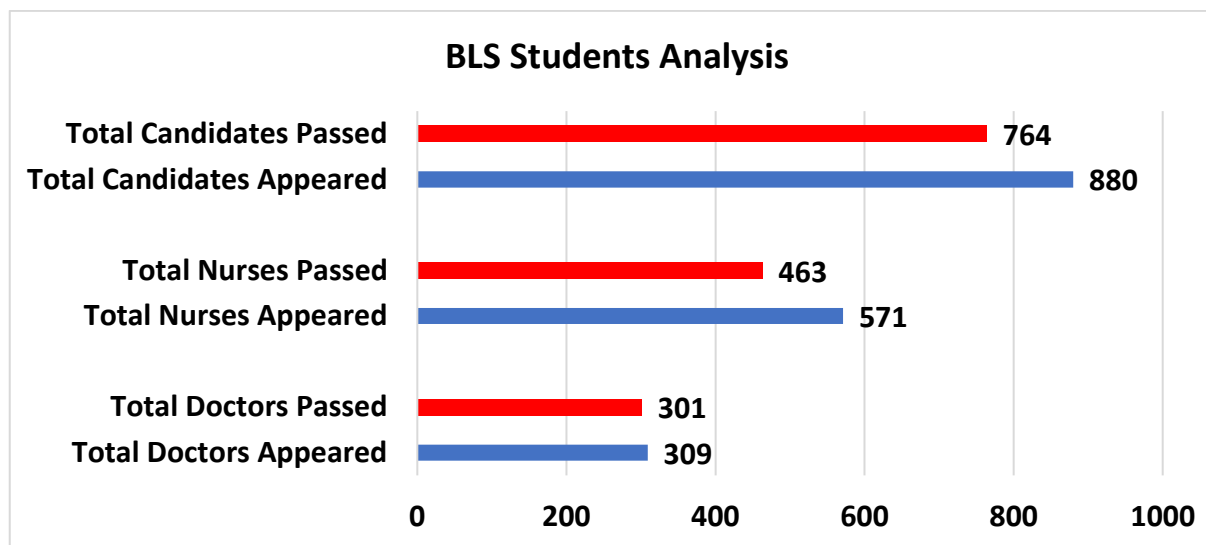

LIFE SUPPORT TRAINING

Basic Life Support Courses:

Shifa LiST Center (AHA Accredited International Training Center), organized the BLS Courses. These courses were attended by the healthcare providers (doctors and nurses) to enhance patient care by imparting critical Emergency Cardiovascular Care (ECC) and Cardio Pulmonary Resuscitation (CPR) education at the highest standards.

Total Number of BLS conducted: 81

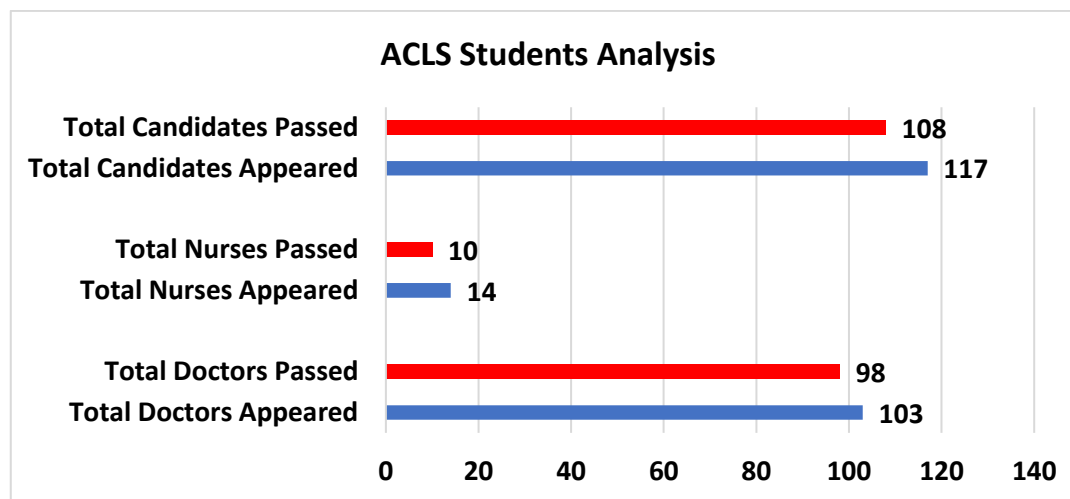

Advanced Cardiac Life Support Courses:

Shifa LiST Center (AHA Accredited International Training Center), organized the ACLS Courses.

These courses were attended by the healthcare providers (doctors and nurses) to enhance the administration of adults that are facing cardiac and pulmonary arrests.

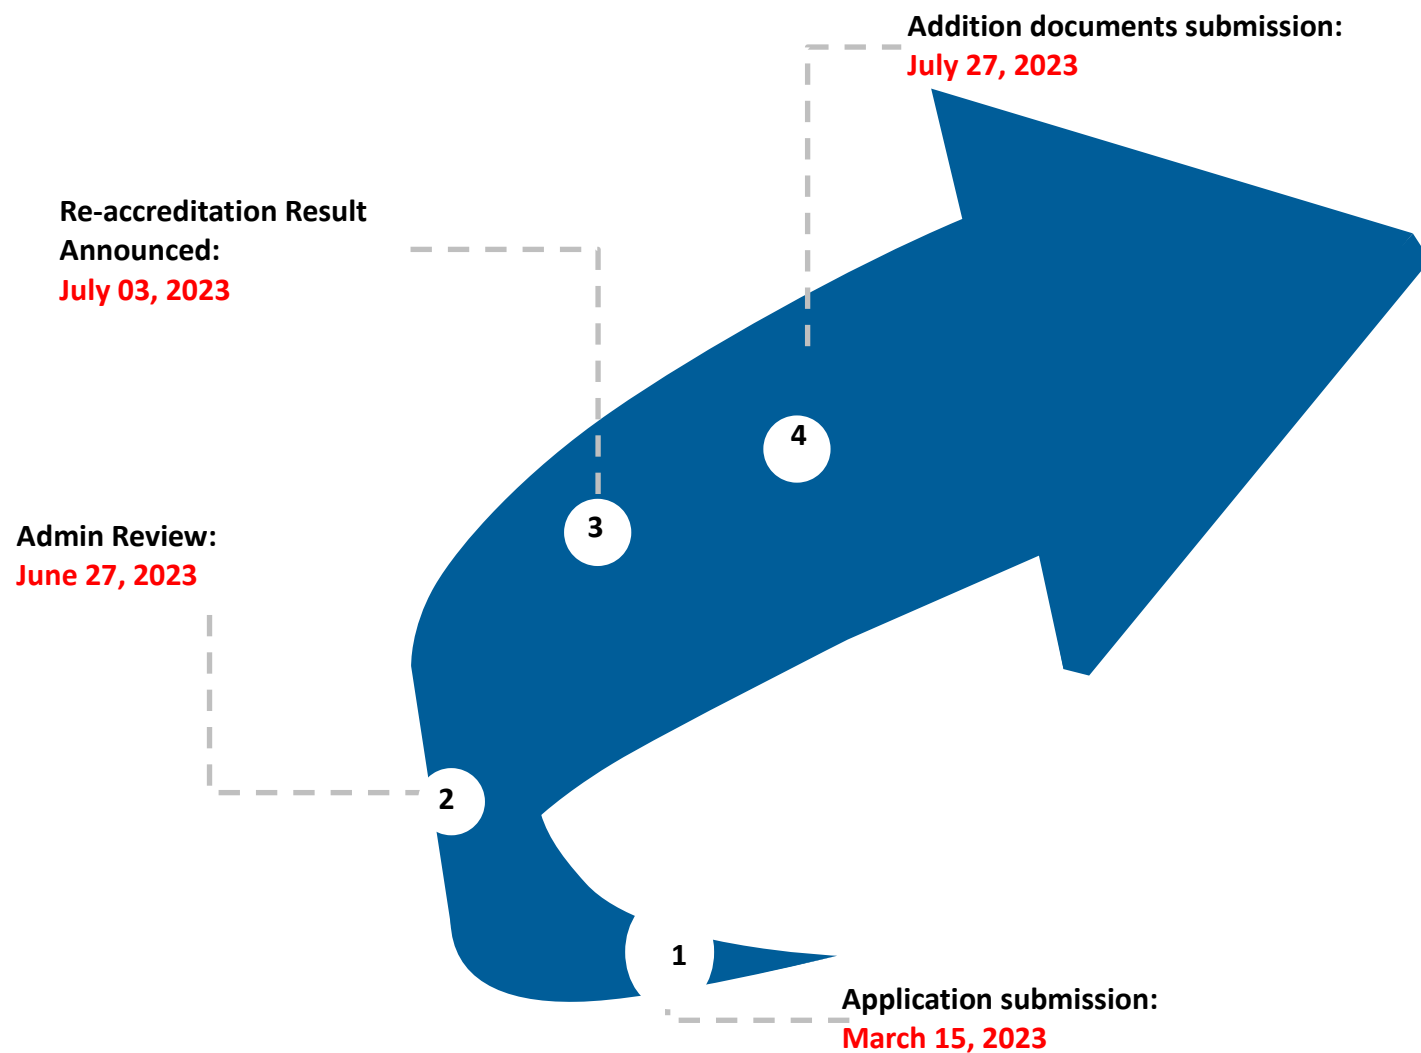

Total Number of ACLS Conducted: 26

SOME KEY ACTIVITIES

PROGRESS ON RE- ACCREDITATION AMERICAN HEART ASSOCIATION (AHA)

RESEARCH AND ETHICS

The Research & Ethics Program was envisioned to provide a wide range of opportunities in engaging learners with expert researchers to enhance collaborative researches/ academic workshops/ conferences with diverse institutes in order to promote academic activities exclusively on research & innovations.

Total activities conducted: 15

SOME KEY ACTIVITIES

Premier of Biostatistics for Healthcare Providers Using SPSS –Course series

Guest lecture: Manuscript Writing in Research

A Prime on Research and Publication Ethics -Workshop

Green Infrastructure on Urban Health- Guest Lecture

Critical Appraisal of an Article-Journal Club-

Summary - Clinical Trials - Completed

S.No	TRIALS NAME	SPONSOR
1	HALT-IT: Hemorrhage alleviation with the tranexamic acid-intestinal system, Tranexamic acid of the treatment of gastrointestinal bleeding: An International randomized, double-blind placebo-controlled trial.	London School of Hygiene and Tropical Medicine, UK)
2	CRASH-3: Effects of tranexamic acid on death, disability, vascular occlusive events and other morbidities in patients with acute traumatic brain injury (CRASH-3): a randomized, placebo-controlled trial	London School of Hygiene and Tropical Medicine, UK)
3	HIP ATTACK 1: Accelerated surgery versus standard care in hip fracture an international, randomized, controlled trial	Sponsors: Population Health Research Institute, McMaster University, Canada
4	SafeHer Study: A phase-3 Prospective, two-cohort nonrandomized Multicenter, Multinational, open-label study to assess the safety of assisted- and self-administered subcutaneous Trastuzumab as therapy in patients with operable her2-positive early breast cancer	Roche pharma Basel Switzerland
5	PERUSE Study: A phase iii perspective, two-cohort non-randomized, Multicenter, Multinational, open-label single-arm study of pertuzumab in a combination of as THERAPY in patients with operable Her2-positive early breast cancer	Roche pharma Basel Switzerland
6	POISE-3 Perioperative Ischemic Evaluation-3	Population Health Research Institute, Hamilton, Canada

7	COP-AF: Colchicine For The Prevention Of Perioperative Atrial Fibrillation In Patients Undergoing Thoracic Surgery	Population Health Research Institute, Hamilton, Canada
8	WHO-SOLIDARITY: An International Randomized Trial of Additional Treatments for COVID-19 in Hospitalized Patients Who Are All Receiving the Local Standard of Care	World Health Organization
9	Can Sino: Phase III Trial A global multicenter, randomized, double-blind. placebo-controlled, adaptive designed phase III Clinical trial to evaluate the efficacy, safety, and immunogenicity of Recombinant Novel Coronavirus Vaccine (Adenovirus Type 5 Vector) in adults 18 years of age and older	Beijing Institute of Biotechnology
10	Livzon Trial: Global Phase 3 Randomized Trial to evaluate the efficacy, safety, the immunogenicity of Recombinant SARS COV-2 fusion protein vaccine against COVID 19 in healthy adults after vaccination of 2 doses of inactivated vaccines	Livzon Mabpharm Inc

TRAINING AND DEVELOPMENT

To be the leading organization for enhancing the ability of aspiring professionals to train people for the role they are taking, the role they are in and the role they want.

Total activities conducted: 15

SOME KEY ACTIVITIES

Communication Skills in Healthcare Sector

HIV/AIDS Stigma among HCPs- Health Care Providers

Mass Casualty Management Plans for Gilgit Baltistan

Strengthening Community and Health System: Disaster Preparedness in Vulnerable Areas of Gilgit-Baltistan

LEARNER'S DEMOGRAPHY
